Rector Johnson Middle School (RJMS) is proud to announce that we have joined The Kindness Revolution™. Sponsored by Bob Terry State Farm Insurance, this initiative is founded in finding positive behaviors within our school community.

2016-2017 FCCLA Officers

Front Left to right: Taya Frees, Jenna Hartley, Jose Serrano, Destiny Underwood
Back Left to Right: Kamryn Fails, Sara Short, Jude Alarabi, Peyton Grugan

Rector-Johnson Middle School FCCLA officers attended two conferences on Wednesday, September 21st in McAlester. FCCLA LEAD Conference and The Oklahoma Challenge Conference. These officers learned many ways to serve as great leaders and how to work together as a team. During the Oklahoma Challenge Conference the officers learned different ways a driver can get distracted while driving and were given ways to help bring awareness of this ongoing problem in every community. These offers took the oath by signing “The Oklahoma Challenge” which means that they will help spread the word about distracted driving and will not be the cause of distracted driving. For more information go online at EndDD.org
AUTOMATED CALL SYSTEM:
Our automatic call system will continue to be used to update you regarding student attendance and other important information. This system is used to report absences, tardies to school, as well as tardiness to class. *When you receive a call, please wait for the system to give you the message.*

NEW PHONE NUMBER?
Please call the RJMS Office @580-584-9603 and update your cell numbers if they have changed recently.

Attention 7th Graders:
In order to remain enrolled in school, all 7th Graders must have received the TDap shot. If your 7th grader has not received this immunization, please make arrangements to get them immunized immediately before we are required to drop them from enrollment. If your 7th grader received this shot over the summer, please bring an updated shot record to the RJMS Office.

These girls are 1-0 and it was a run rule against Idabel 13 to 0 in 3 innings with an over the fence home run by Mya Watson. They are extremely talented and they hope to see you at some games. Captains for each grade level voted on by their teammates anonymously are for sixth grade Briana Mills, 7th grade Jaylee Lopez, and 8th grade Mya Watson. These girls show leadership on and off the field and we are very proud of them.

Middle school softball is now 11-1. These girls are showing sportsmanship everywhere they go. It’s been a lot of fun so far. Southeastern Oklahoma County Champs 2016!
