InDesign Project Resort Magazine Covers

Supplies Needed:

- Adobe InDesign
- Internet

Instructions:

An all inclusive resort has just hired you to make a magazine cover for 2 of their companies for Spring Breakers.

- Pick 2 types of resorts you want to design a cover for:
 - Beach
 - Ski
 - Lake
 - Gold
 - Island
 - Mountain
 - Spa
- Magazine Cover Setup:
 - Set Units & Measurements to inches
 - Edit/Preferences/Units & Measurements
 - Horizontal & Vertical - inches
 - File/New/Document
 - Preset – Custom
 - Intent – Print

- Uncheck Facing Pages
 - Number of pages – 1
 - Start Page - 1
 - Width - 8.5
 - Height – 11
 - Page Orientation - Portrait
 - Leave everything else in the New Document box as is.
- Magazine Cover Must Have's:
 - Must have an exciting background that matches the resort you chose
 - Must have Title of Resort
 - Must be formatted with a different background color
 - May have filler titles as well
 - Must have a month on the cover – which since you are catering to Spring Break will be March
 - Must have a decorative border going around the cover
 - Must list at least 4 amenities that the resort has to offer. Such as:
 - Types of food, types of entertainment, types of activities, types of shopping
 - Each amenity must be formatted in a different color that stands out from your cover
 - Use the internet to get ideas for your cover
