

**EXTRACURRICULAR ACTIVITIES
EMERGENCY MEDICAL SERVICES**

The Broken Bow Board of Education and McCurtain County Emergency Management have developed and prepared a plan for the provision of emergency medical services at athletic events or activities held at school district facilities. The plan shall be reviewed and updated annually as appropriate. The plan is on file with the school district and with the emergency medical provider.

Emergency Management Policy

At Broken Bow Public Schools our plan is to provide appropriate medical attention and services to all students and staff during any school sponsored event. Listed below are the ways in which we will service our students and staff:

- EMS contract which we will have on site at all varsity home football games. All other athletic events EMS will be on call.
- AirMedCare contract which provides immediate life flight to all staff and students while on campus. In addition, all staff and students of the school are covered while traveling in a school vehicle for work or school purposes.
- All of our coaches have care and prevention of athletic injuries class or certification.
- Part-time Athletic Trainer will be present at basketball and football games to help if needed.
- Full-time Athletic Director will be present at athletic events to help if needed.
- Call 911 in case of emergency

The safety of our students and staff are very important at Broken Bow Schools and we will continue to provide adequate medical services to all individuals during any school sponsored event.
